TO WHOMSOEVER IT MAY CONCERN

This is to certify that Transformavens Training and Consulting, LLP have been associated with Mazagon Dock Shipbuilders Limited in providing Learning and Development Solutions for Executives.

Transformavens Training and Consulting, LLP have conducted a number of specially designed interventions for MDL ranging from Induction Programs, Leadership Excellence Programs for Women Executives, Mid Management Development Programs to Offsite Programs for the Senior Management.

All their programs are imaginatively crafted and adroitly delivered. The Programs have been well appreciated by the participants and the HR Dept. both of whom have rated the Programs as excellent. MDL has reaped immense value from the behavioural change in the participants that these interventions have catalysed.

I wish Transformavens Training and Consulting, LLP all the very best for all their future endeavours.
