Dear Sir,

On behalf of the Cochin Chamber of Commerce & Industry, I thank you for leading the Workshop on "Challenge the Status Quo" organised by the Chamber for our members at Hotel Park Central, Kaloor, Cochin on Friday, 20th September 2019.

Let me personally thank the both of you for taking the time and the effort for your presentations and the interaction with the participants. The participants whom we interacted with opined that the sessions were useful, informative and very well handled by the Speakers.

I trust all the arrangements vis-à-vis, your travel, accommodation and the arrangements at the training hall were in order.

Please let us know, if you can share your presentations, which can further be shared with the participants, on their request.

Some of the photographs from the event are attached herewith for your reference.

We look forward to associating with Transformavens again in the near future.

Thank you once again for all the efforts in making the session, the success it was.

Best regards,

Eapen Kalapurakal
